Faces Collection

*Yes, it comes in
any size and shape!*

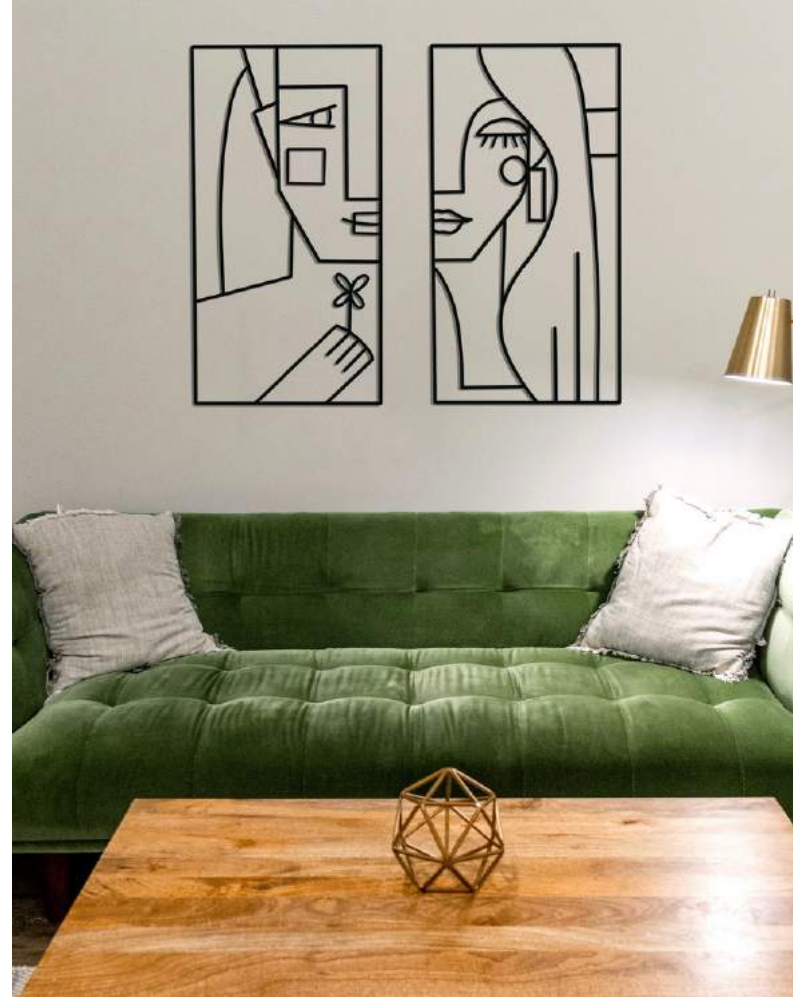

Couplesn Collection

Charming, romantic and beautiful metal pieces that present a man and a woman in different situations. Falling in love, blossoming, joy and love - all of these are just some of the emotions and reactions that the works present and arouse among the viewers.

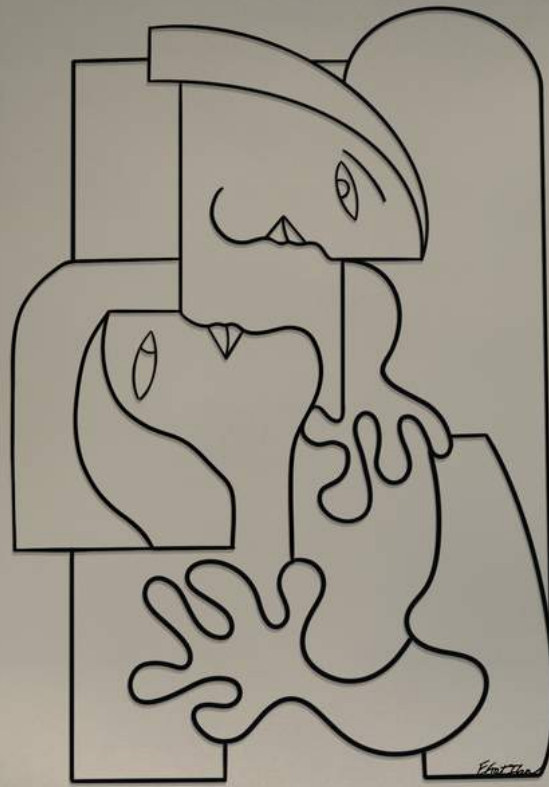

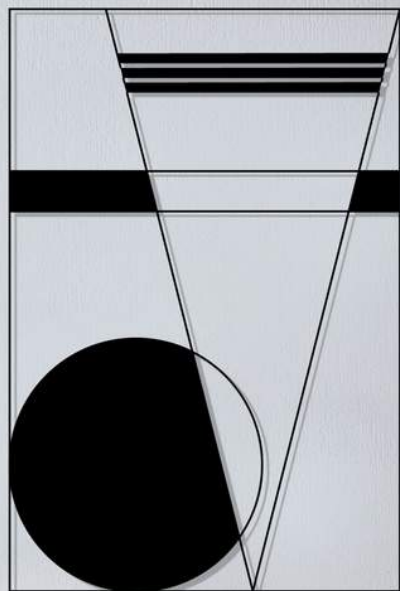

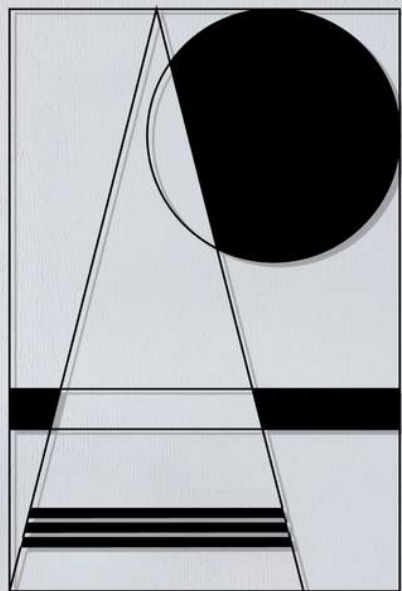

Geometric Collection

The geometric line features special and cool metal cutouts of figures drawn by geometric shapes. The forms unite into one entity of marvellous creation in a minimalist technique and full of style.

Dancers Collection

A charming and delicate line of beautiful dancers in various movements and a natural flow of minimalist painting.

Birds Collection

lovely metal cutouts featuring birds of all kinds, modes and movements. These metal works express feelings of freedom, love, happiness, peace and tranquility.

Pretty Woman Collection

"A collection of metal paintings of women express different situations and emotion on metal cutouts. Each one of them was inspired by real, strong and beautiful women, both externally and internally."

Plants Collection

A stunning collection of floral and magical creations of various plants that represent blossom and love in a minimalist and modern way. The works give a lot of light and style to the space.

Origami Collection

A fun and young line of metal cuts that simulate paper folds in the art of origami. These cutouts give a refreshing, cool and light look to the space in which they are displayed.

Drinks Collection

Delicate and charming metal cutouts of drinks we all love like a glass of wine, a bottle of wine and a cup of coffee. Very suitable for sitting areas, kitchen and dining area.

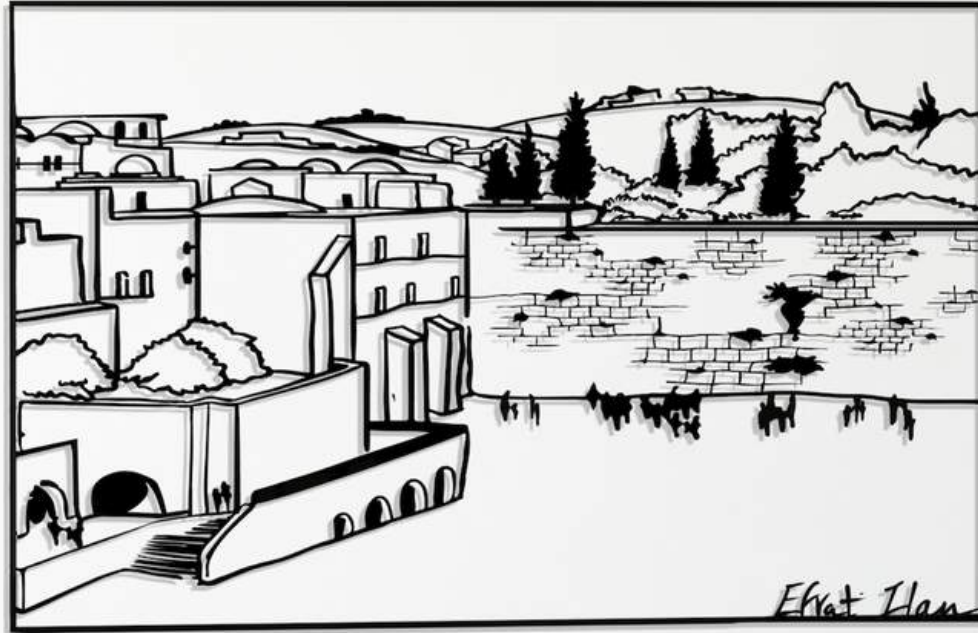

Beach Collection

Charming, soothing and relaxing metal cuts of sea and beaches. Give a magical atmosphere into the space and create peace and fun for the environment.

Jerusalem Collection

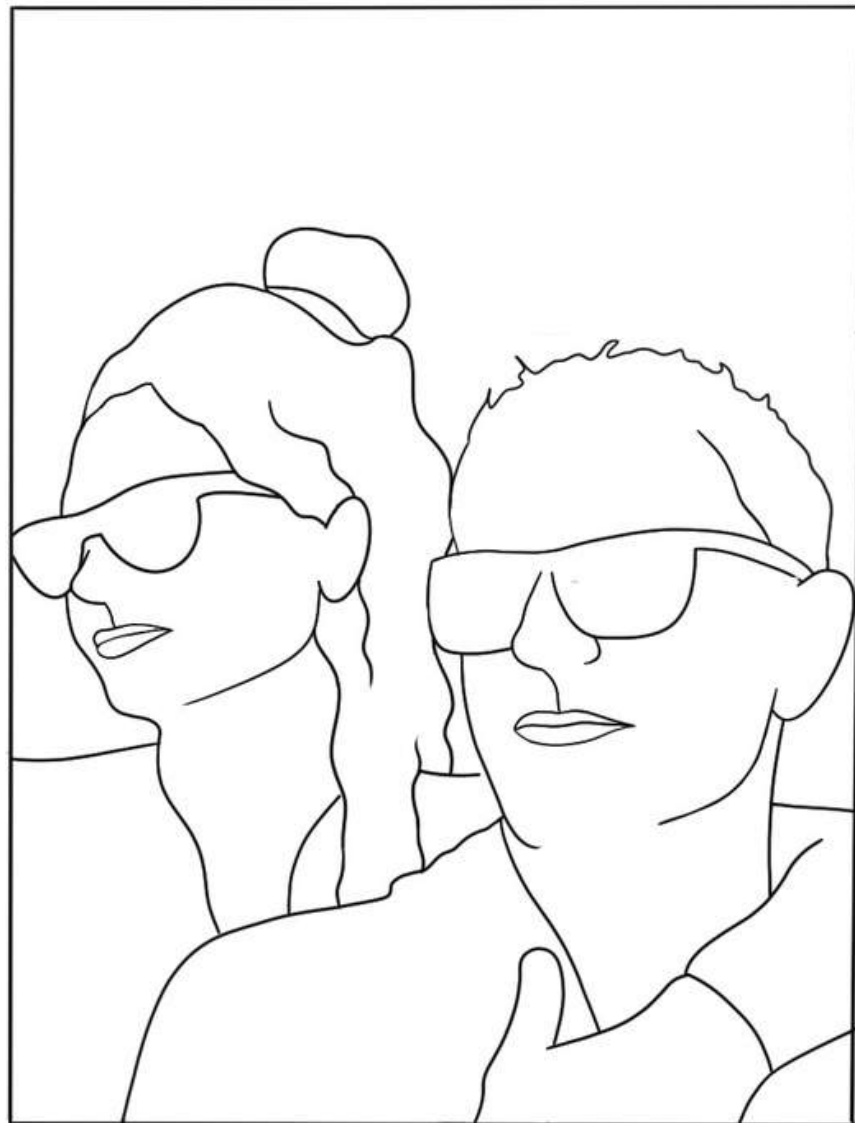

The collection presents a subject that is close to the hearts of many of us. The paintings talk about various topics related to the land of Israel in general and the Jewish religion in particular. You can see motifs such as landscapes of the city of Jerusalem, the Western Wall, Golden Dome etc.
